Featured Exhibition Highlight

Circus

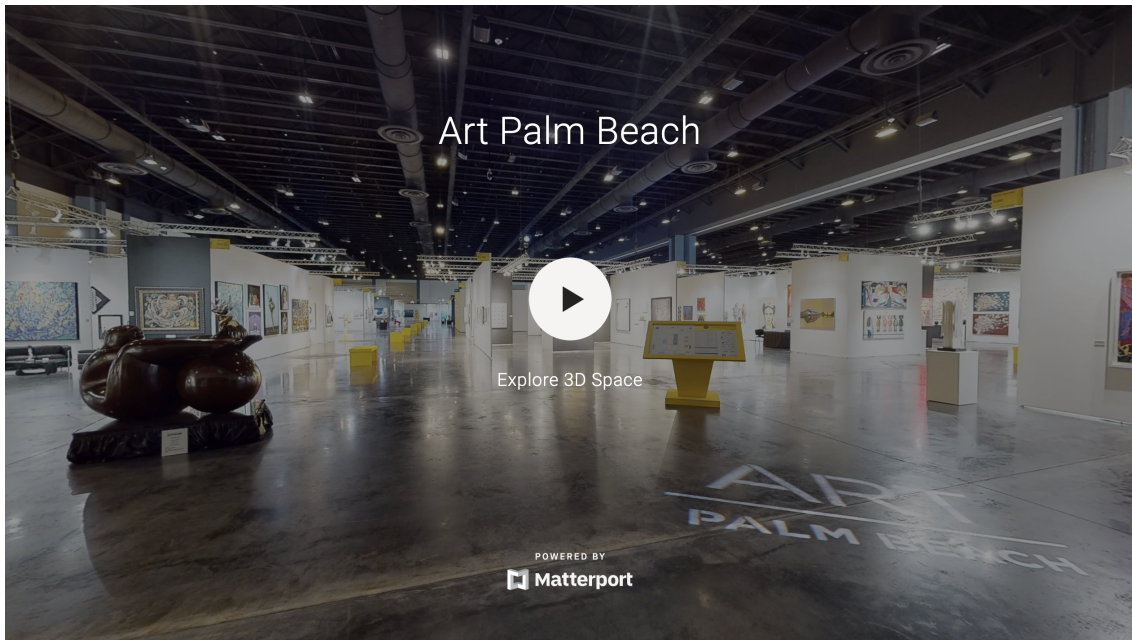

Presented by Cavalier Gallery
Booth 334

Under the new direction of LA Art Show producer / director Kassandra Voyagis, this year, Art Palm Beach introduces a series of seven compelling featured exhibitions of significant works curated by established international curators.

Today, we're pleased to highlight one of the featured exhibitions for 2023: Circus, presented by Cavalier Gallery from Palm Beach. Bjørn Okholm Skaarup: "Circus" is an installation of 33 sculptures inspired by late-nineteenth century circus costumes, banners, and colors that produced a neo-baroque symphony of larger-than-life forms and displays. In Skaarup's vision, the animals themselves are running the show! Referencing a contemporary bestiary, or classical book of animals in bronze, each sculpture presents a whimsical story alluding to sources ranging from ancient fables and art history to music and modern animation.
