## Featured Exhibition Highlight

### **Bruce Helander**

Presented by Paul Fisher Gallery  
Booth 1101

Under new direction this year, Art Palm Beach introduces a series of seven compelling featured exhibitions of significant works curated by established international curators. More on our Featured exhibitions here: <https://www.artpalmbeach.com/featured-exhibitions/>

Today we highlight one of our featured exhibitions for 2023: Bruce Helander presented by Paul Fisher Gallery. Curated by celebrated British art critic Anthony Haden-Guest, the exhibition showcases a new collection of colorful collages and paintings from Helander's "Billboard Series." While working at his family's grocery store during his youth, Helander often observed billboard painters working nearby. The exhibit includes several works that incorporate the tradition of outdoor advertisements, which originally were hand-painted by commercial artists who stood precariously on scaffolding while holding a bucket of paint in one hand and a brush in the other. Join us at 5 pm today in the Art Party Lounge for a special tribute to the Florida artist. Find out more below.
