## Gallery Highlight: Hollis Taggart

Art Palm Beach looks forward to welcoming back Hollis Taggart as an exhibitor in 2024! For more than 40 years, the New York City gallery has presented significant works of American art, from the Hudson River School to the American Modernism and Post-War and Contemporary movements.

*"We are pleased to return to the 2024 edition of the Art Palm Beach, where we will be presenting freshly acquired works of Abstract Expressionism, including works by Gottlieb, Goldberg, Michael West, Sam Francis, Norman Bluhm, Willem de Kooning and many others. This well-run art fair is a must-see. The inaugural show in January 2023 was very successful and we expect a continued momentum in 2024."*

— HOLLIS TAGGART

*From the John Knuth Exhibit 'High Noon'*

The gallery will feature the exhibition, *John Knuth: High Noon*, from May 25 to June 24, 2023 - with an opening reception Thursday, May 25 from 5-8 PM.

John Knuth continues to push art-making in new directions with his latest body of work, his boldest and most painterly to date. Conceived as a follow-up exhibition to *The Dawn*, presented in the spring of 2021 at Hollis Taggart's former Southport CT location, *High Noon* extends the artist's exploration of rebirth and reawakening through a focus on the horseshoe crab, whose blood was instrumental in the development of the COVID-19 vaccine and continues to be vital in medical innovation. The twelve new paintings in *High Noon* all feature gilded horseshoe crab shells in an homage to this ancient and now threatened animal which plays a largely unacknowledged role in human health.

## Gallery Highlight: Vallarino Fine Art

We're very pleased that New York-based Vallarino Fine Art will join us for the first time as an exhibiting gallery at Art Palm Beach 2024. The gallery's parallel program focuses on comparing the gestural and intuitive evolution from two generations of abstract artists: post-war American abstract painters along with an evolving group of young emerging artists considered representative of the new school of abstractionists.

*Ernie Barnes. Pool Hall, 1968. Oil on canvas. 24 x 48 inches*

For Art Palm Beach 2024, the gallery is preparing a compelling and varied exhibition featuring the work of several 20th Century and contemporary American artists, including: Eric Barnes, Norman Bluhm, Deborah Butterfield, Alexander Calder, Werner Drewes, Lynne Mapp Drexler, Edward Dugmore, Wolf Kahn, George McNeil and Robert Natkin.

Alexander Calder. *Untitled*, 1975. Gouache and ink on Canson paper. 14 ¾ x 43 ¼ inches; 30 x 58 inches framed.
