Art Palm Beach Only 3 months away, Gallery highlights, American Heart Association 100th Anniversary and more...

It's hard to believe Art Palm Beach is just three months away! As we get closer, we're thrilled to highlight two of the galleries that will be joining us as exhibitors, Rosenfeld Gallery and Galleri Christoffer Egelund. We're also honored to be working with the American Heart Association, our official charity beneficiary this year. Read on to find out more...

GALLERY HIGHLIGHTS

Among our standout roster of exhibiting galleries, Art Palm Beach is thrilled to highlight Rosenfeld Gallery and Galleri Christoffer Egelund.

Rosenfeld Gallery

We look forward to a presentation by Miami-based Rosenfeld Gallery, which will be joining Art Palm Beach as an exhibitor in 2024. Rosenfeld Gallery specializes in the Modern and Contemporary Masters secondary art market, while keeping an eye to the future by incorporating contemporary mid-career artists establishing a foothold in art history. The gallery was founded in 1970 by Michelle Rosenfeld. In 2006, Jason Rosenfeld took over the gallery at its 79th street location in New York, relocating to Miami in 2020. Rosenfeld Gallery deals in works by modern and contemporary masters such as Jean-Michel Basquiat, George Condo, Jean Dubuffet, Keith Haring, Kaws, Takashi Murakami, Joan Miró, Pablo Picasso, Kenny Scharf and Andy Warhol.

For its presentation at Art Palm Beach, the gallery will feature a selection of works by artists including Scharf, Dubuffet and Haring. Scharf (American, born 1958) is a painter and installation artist associated with the Lowbrow movement, best known for work inspired by comic books and pop culture. Haring (American, 1958–1990), Neo-Pop and Graffiti artist, had a short but prolific career centered on a vision to unite high art, urban aesthetics and public spaces, in humorous, irreverent and poignant works. Dubuffet (French, 1901–1985) is considered one of the pioneers of the Art Brut movement.

Galleri Christoffer Egelund

We're also excited to welcome Copenhagen-based Galleri Christoffer Egelund as one of the exhibiting galleries at our upcoming show. Established in 2003, the gallery specializes in presenting high quality Scandinavian and international contemporary art. For its presentation at Art Palm Beach, the gallery will show the work of Danish figurative painter Niels Strøbek. A photo realist who became the favorite portrait artist of the Danish Royal Family in the 1970s – and has been so ever since – Strøbek studied at the Royal Danish Academy of Fine Arts under some of the greatest Danish masters of High Modernism.

He found his own artistic voice not in the abstract realm of non-figurative painting, but in the appearance of the physical world and art history, particularly the early Renaissance. The most known adherent of Photorealism in Denmark, the artist often features symbolism and references to art history in his work. Galleri Christoffer Egelund will showcase a selection of the artist's paintings from the late 2000s, an era in which Strøbek focused on portraying powerful female identities rendered in warm jewel tones.
