# Art Palm Beach 2024 Presents 80+ Prestigious Exhibitors & DIVERSEartPB and Featured Exhibitions!

Art Palm Beach is coming soon! Poised to deliver yet another extraordinary art experience on the east coast, this year's edition promises to be even more diverse and cutting-edge than before, with a compelling roster of more than 80 exhibiting galleries from across North America and around the world.

Under the dynamic leadership of Kassandra Voyagis, producer / director of the Art Palm Beach and its sister fair, the LA Art Show, the show remains at the forefront of the contemporary art world.

Once again, Art Palm Beach proudly showcases the DIVERSEartPB platform, curated by Marisa Caichiolo. For 2024, DIVERSEartPB will offer an exploration of the intricate and evolving relationship between memory, humanity and AI. In a world where technology continually reshapes our understanding of memory and identity, DIVERSEartPB challenges us to contemplate the profound implications of this digital age.

Art Palm Beach 2024 also unveils a captivating lineup of specially curated featured exhibitions by notable artists, including **Sarita Westrup** presented by **Erin Cluley Gallery**, **HRH Prince Nikolaos: Dialogos** presented by **Ethan Cohen**, and **Gregory Scott** and **Kim Kever** presented by **Modern Fine Art**.

The five-day event kicks off with a star-studded opening night premiere party benefiting the American Heart Association. Fifteen percent of all ticket sales for the fair will be donated to support the American Heart Association *Life is Why*<sup>™</sup> campaign.

The international contemporary and modern art fair of the Americas, Art Palm Beach is scheduled to return to the Palm Beach County Convention Center January 24 to 28, 2024. See you there!
