HRH Prince Nikolaos: Dialogos

Moderated by Marilena Koutsoukou & Ethan Cohen

3:00pm

VIP Lounge

"Dialogos" by HRH Prince Nikolaos showcases a fusion of ethereal photographs and luminous marble. The artist digitally imprints abstract and elemental images directly onto marble inviting the onlooker to inhabit the evanescent zone between the solid and the visionary. Through the artist's uniquely crafted technique of digital transference, we swim in his native Greek dimensions of statuary, sand, sea, and light in a frozen wave of eternal time. Key pieces of the show are landscape images on white marble, three tables and a cabinet, where the white marbles of Thassos are combined with a sculpted bronze patinated base. HRH Prince Nikolaos is fascinated by the grace of light found in Greek nature, something which he constantly seeks to recreate.
