### **Art Palm Beach Takes Center Stage January 28—February 1, 2026**

Under the continued leadership of producer/director Kassandra Voyagis, Art Palm Beach will transform the Palm Beach County Convention Center into a hub for contemporary art from January 28—February 1, 2026. As the first major art fair of the Palm Beach season, the show serves as the opening event in South Florida's cultural calendar, setting the tone for the region's art market.

The 2025 show demonstrated Palm Beach's growing influence in the global art market. Building on this momentum, the 2026 edition aims to further strengthen the connection between international galleries and the sophisticated collector base of South Florida.
